To whom it may concern,

St. Michael's Blacktown youth group, OASIS, has been running for more than a year with the motto of serving the community. With the success of our Christmas Concert last year, we discovered that the community had a lot to showcase. In response to this, we are holding a Talent Quest event where any groups or individuals are free to join.

The following is a special invitation for the upcoming St. Michael's Parish/OASIS Youth production: "Be heard. Be seen. Be remembered". The event will take place at 7pm on the 16th of May 2009 at the Nagle College School Hall, 58A Orwell Street Blacktown (opposite St Michael's Church).

Auditions have already begun and will be held every Thursday 30th April and 7th/14th April at 6pm in St Michael's Parish Hall. We encourage everyone to join and showcase their talents.

We have attached a flyer with the details and request if this can be advertised within your school and possibly community. Entrance fee is \$5 and all profits will be donated to our local St. Vincent's and Youth off the Street.

Could you kindly email me at shivon.coelho@gmail.com (by April 28) if you are able to attend. Alternatively please do not hesitate to contact me on 0433 387 252.

Yours sincerely
